

Carlton Primary School

Information for parents on our homework policy

Each child has a Home Learning Journal (a white reading log and homework book).

Inside the cover, you will find your child's logins for Mathletics, Oxford Owl, Languageut (French) and Google Classroom.

Homework is daily reading, and weekly spellings, number bonds and tables—

children are tested weekly for spellings and number bonds and tables.

Each child receives literacy homework

books—they are to be completed when the learning has been carried out in school—it is a practice tool.

Home learning project: half termly—this is compulsory, high quality expectations with a deadline for handing it in. All home learning projects are available on our website:

YEAR 2

- There is a half termly home learning project. In Year 2 we ask children to choose two home learning projects to complete each half term.
- We set spellings weekly which we test the children on once a week - you will find them stuck in the white reading log and homework book.
- We select pages from the maths and literacy homework books weekly - you will find the labels stuck in the white home reader book.
- We also have a maths skill to be working on (e.g. counting in 3s). Children can practice this skill on the Mathletics online programme, using their login.
- Children are expected to read each night 10-15 minutes and write in the reading log book which pages they have read and any information you think we may need to know. Our reading prompt leaflets will help you to support your child's daily reading.
