

Year 2 Home Learning Project

Knowledge

Find out 5 things about the country that your family come from. Write or draw your information - think about your presentation - how could you show it in an interesting way?

Choose 2 of these activities to complete at home with your family. Try to make sure that you choose 2 different types of activity!

Create

Make some food that comes from the country your family are from - you can bring it into school to share if you want and/or take some pictures of you making it! Or you could write down the recipe to share with your class.

Understanding

Draw a map of the country your family come from and show some key features - the countries that border it, mountains, rivers.

Can you name some human and physical features?

Knowledge

Find out which countries are part of the United Kingdom. You could draw or print a map and label the countries.

Challenge! Do you know the capital cities of each country in the UK?

Home learning projects to be completed and handed in by Tuesday 15th October.

Think carefully about content and presentation to get a gold certificate!
